

Upper Division Public Health Course Sequence

Complete these courses
with C- or better before beginning the
upper-division PBH sequence

PBH 317
CH 301, CH 302, CH 204
BIO 311C, BIO 311D, BIO 325*
SDS 320E* (formerly SDS 328M)

*BIO 325 and SDS 320E can be
taken in the same semester as
PBH 354

Must be taken in this order in back-to-back semesters.

Exceptions are made only if a student goes abroad or is away from campus for a semester. Students typically begin the sequence their junior year, but can begin as soon as they meet the pre-requisites listed on the left.
