Colleges and Universities Attended:

<i>Name</i>	<i>Location</i>	<i>Dates Attended</i>

Degree Sought:

BS in Nutrition

MA/PhD in Nutritional Sciences

(limited to students who have been accepted to graduate school and have approval from their supervising professor)

RD eligibility only is no longer offered

(Under our new policy, the CPD only accepts students seeking a BS in Nutrition)

Criminal Record :

Have you ever been convicted of, or have you pleaded guilty or no contest (nolo contendere) to a felony or misdemeanor offense or have you ever received probation or deferred adjudication for a criminal charge? (NOTE: Appointment to the Coordinated Program will be dependent on successful completion of a criminal background check. Answering "Yes" will not necessarily bar you from consideration. However, false statements or material omissions will disqualify you from further consideration).

Yes

No

Language Skills:

Do you speak more than one language aside from English?

Yes

No

If yes – please list languages other than English in which you can communicate with patients/client or employees and your level of comfort with the language. (example: I am fluent in German. I understand Spanish and can speak a bit.)

Extracurricular activities since high school graduation (or the last 5 years if a returning student): List memberships in on- and off-campus organizations, other activities such as sports. Briefly describe involvement and dates of participations (ex: Texas Nutrition, 9/2017- 4/2018; As social committee chair I helped plan the events to get members involved.

1

2)

3)

Leadership experiences while at college (or the last 5 years if a returning student): List officer positions, committee memberships, employment promotions, or other positions of leadership on or off campus. Briefly describe key responsibilities. (example: President, Women in Science. I was in charge of planning and leading monthly meetings. This included contacting potential speakers and arranging events on campus.
