*On the program choice please select for the On-Line program: Education/Rehabilitation Counseling(Distance Prg)/MEd

Statement of Interest
Write about your previous experiences (e.g., provision of counseling or helping roles, research, volunteer work, prior education and training, etc.) that demonstrate your qualifications for the masters program. Describe how your pursuit of this degree will help meet your career objectives and why you want to complete your degree at Auburn University. Please upload this document to your Graduate School application.

Cultural Statement
Write a response to the following prompt: Describe in detail up to three experiences you have had working with individuals who are culturally different from yourself (e.g., race, ethnicity, sexual orientation, religion, gender identity, age, nationality, ability status, etc.). For each experience, describe your role (e.g., counselor, teacher, student, etc.), the setting, the ways in which culture was a salient part of the experience, and the specific ways this experience challenged you to grow in your understanding of diversity, inclusion, and/or social justice. Please upload this document to your Graduate School application.

Résumé or CV
This document should contain the following elements in a form/format of your choosing: 1) Education, 2) Related Professional Experience (volunteer, practicum/internship, and/or employment), 3) Research Experience (publications, presentations, and/or other research involvement), 4) Professional Certifications and/or Licenses, 5) Membership in Professional Organizations, and 6) Honors, Awards, or Recognitions. Please upload this document to your Graduate School application.

Writing Sample
This is an essay (3-5 pages or more) on a topic related to disability, disability rights, or rehab counseling services for individuals with disabilities. Please upload this document to your Graduate School application.

Three Reference Forms
When prompted on the Graduate School Application, submit the names and contact information for three references. For each reference, you must answer “Yes” to the question, “Will this provider be submitting the letter of recommendation online?” You may check to see if these have been received (and who has/has not submitted it) by logging into your Graduate School application.

Official College Transcripts:
Request official transcripts from all colleges you attended. Official transcripts (meaning sent directly from each college you attended) must be sent electronically to graduatetranscripts@auburn.edu or by hard copy to Auburn University, Graduate School, 106 Hargis Hall, Auburn, AL 36849. (If you attended Auburn University, they will post the AU transcripts for you, so those do not have to be requested). You may check to see if all of your transcripts have been received/posted by logging into your Graduate School application.

TOEFL Report (for International students):
Score must meet Auburn University’s minimum requirement; provisional or conditional admittance usually not provided.
