GRADUATE TRAINING OPPORTUNITIES AT PENN STATE IN
Child Maltreatment Science

OUR OVERALL MISSION
1. Conduct science aimed at changing trajectories for those affected by child abuse & neglect
2. Accelerate science to inform practice and policy change

The below listed National Institute of Child Health and Human Development T32 and P50 offer training opportunities available to graduate students working with faculty in the Child Maltreatment Solutions Network. Please feel free to reach out to the below faculty by clicking on their name to discuss the opportunities available.
