Austin Public Health COVID-19 Response Team

Austin Public Health is currently looking to hire ~150+ temporary staff to assist with the COVID-19 response. The positions are part time (30-35 hrs/week) and the anticipated length of these assignments is 3-6 months (possibly longer). This is an incredible summer/postgraduate opportunity to work directly on this pandemic as public health majors!!

We are hiring quite a few temps for the emergency response. If you know of anyone who is interested in applying for a temporary position with APH please have them complete a draft application in e-careers using this link. They will need to print the draft application and send it to APHHumanResources@austintexs.gov.

You can also send a copy of your resume to APHHumanResources@austintexas.gov.

The various functions we are hiring for are listed below:

**Function 1** - Case Investigation or Epi Investigation- initial investigation to gather detailed information from a person who has tested positive for COVID-19. They will work with a patient to help them recall everyone with whom they have had close contact during the timeframe while they may have been infectious.

We are hiring for Epidemiologists, Nurses, Social Workers, Research Analyst, LVNs, and Public Health Educators. We need full time staff with open availability and will hire approximately 30 temporary investigators.

**Function 2** - Contact Tracing: Follow-up with non-cases, people who may be asymptomatic. We need full time staff with open availability and could hire up to 120 temporary staff.

**Function 3** – WIC staff with good customer service skills and phone skills. We need full time staff with open availability.

**Function 4-** Point of Testing Site II
